### Facts & Figures

**Overall: 2018/19**

**Number of Students:** 13,833
- Including 5,885 women (including 3,333 first-year students, including 1,903 bachelor’s degree students)

**Academic Personnel:** 624, including 319 women

**Graduates:**
- 2,655 in total
- 2,058 (FTE)
- Completed post-doctoral degrees: 6
- Completed doctorates: 263
- Doctorates and post-doctoral degrees in total: 329
  - of which medicine: 223

**Total Students by Faculty:**
- Economics & Management: 2,414
- Humanities, Social Science & Education: 3,415
- Natural Sciences: 723
- Mathematics: 345
- Computer Science: 1,597
- Electrical Engineering & Information Technology: 961
- Process & Systems Engineering: 1,263
- Mechanical Engineering: 1,541

**Students completing degree in standard study duration:** 9,764

**International Students:** 3,026
- from Saxony-Anhalt: 4,672
- of which total new students (in the first semester): 1,851

**Academic Year 2017/18**

- International students: 2,398
- Graduates: 2,454
- Completed post-doctoral degrees: 43
- Completed doctorates: 264
- Doctorates and post-doctoral degrees in total: 317
  - of which medicine: 223

**Third-party funding spent:**
- Medicine: 23.2 million
- Non-Medicine: 40.2 million

**State funding:**
- Medicine: 51.0 million
- Non-Medicine: 93.5 million

**Total personnel financed:**
- From the university’s budget: 818
- Of which women: 319
- Third-party funding: 2,561
- Of which women: 729

**FTE (full time equivalent):**
- Completed post-doctoral degrees: 6
- Completed doctorates: 263
- Doctorates and post-doctoral degrees in total: 329
  - of which medicine: 223

**Total personnel financed by third-party funding:**
- Non-academic: 327
- Academic: 2,201
- Of which total: 2,528

**Financial Year 2018**

- Completed post-doctoral degrees: 23
- Completed doctorates: 142
- Doctorates and post-doctoral degrees in total: 165
  - of which medicine: 130

High teaching, international and social impact, and a clear focus on research make the University of Magdeburg an attractive institution for students, researchers, and partners. As a leading university of applied sciences, it educates highly qualified professionals with a strong foundation in mathematics, natural sciences, technical, and business sciences. The university aims to create a bridge between research, teaching, and transfer of technology, medical technology, renewable energy, and digital technologies. It is committed to fostering a culture of innovation and entrepreneurship to prepare students for successful careers.

The key areas of research at the University of Magdeburg are in the fields of Engineering, Medicine, and Natural Sciences. The University is a catalyst and driver of innovation, promoting cutting-edge research in a wide range of disciplines. 

**University of Magdeburg**

**Institute of Electrical Engineering & Information Technology**

- **Faculty of Electrical Engineering & Information Technology**
  - Communication Technology
  - Electrical Energy Systems
  - Mobile Systems
  - Machine Design
  - Microsystem Technology
  - Power & Process Systems
  - Production Technology
  - Robust Systems & Simulation
  - Systems Engineering

- **Faculty of Process Engineering**
  - Chemical Process Engineering
  - Environmental Technology
  - Industrial Presentation Technology
  - Technical & Business Simulation & Graphics

**University of Magdeburg**

**Institute of Natural Sciences**

- **Faculty of Natural Sciences**
  - Algebra & Geometry
  - Biology
  - Chemistry
  - Computer Science
  - Economic Sociology
  - Economics of Business and Law
  - Finance & Accounting
  - Marketing
  - Operations Management
  - Banking & Finance
  - Consumer Behavior (junior chair)
  - Applied Microeconometrics (junior chair)
  - Economics of Business and Law
  - Health Economics
  - Marketing
  - Operations Management
  - Banking & Finance
  - Consumer Behavior (junior chair)
  - Applied Microeconometrics (junior chair)
  - Economics of Business and Law
  - Health Economics
  - Marketing
  - Operations Management
  - Banking & Finance
  - Consumer Behavior (junior chair)
  - Applied Microeconometrics (junior chair)

**University of Magdeburg**

**Institute of Social Sciences**

- **Faculty of Social Sciences**
  - Applied Microeconometrics (junior chair)
  - Consumer Behavior (junior chair)
  - Economics of Business and Law
  - Health Economics
  - Marketing
  - Operations Management
  - Banking & Finance

**University of Magdeburg**

**Institute of Business Administration**

- **Faculty of Business Administration**
  - Business Administration & Innovation Management
  - Finance & Accounting
  - Information Systems
  - Marketing
  - Operations Management
  - Banking & Finance

**University of Magdeburg**

**Institute of Information Technology**

- **Faculty of Information Technology**
  - Artificial Intelligence
  - Biometrics & Medical Informatics
  - Communication Technology
  - Computer Science
  - Information Systems
  - Media Technology
  - Networking & Security
  - Social Science (junior chair)

**University of Magdeburg**

**Institute of Health Economics**

- **Faculty of Health Economics**
  - Biometrics & Medical Informatics
  - Communication Technology
  - Computer Science
  - Information Systems
  - Media Technology
  - Networking & Security
  - Social Science (junior chair)

**University of Magdeburg**

**Institute of Behavioral Medicine**

- **Faculty of Behavioral Medicine**
  - Biometrics & Medical Informatics
  - Communication Technology
  - Computer Science
  - Information Systems
