Letter of Support for Ukrainian Colleagues and Universities

Dear Ukrainian colleagues,

On behalf of the Rectors of the EU GREEN alliance, we are expressing our collective solidarity with the people of Ukraine. Through our EU GREEN project, 9 universities are working together to promote European values and democracy. In this terrible moment, these values are more important than ever.

For this reason, we want to express our sincere support to our colleagues in Ukraine and also in Poland and Romania, who are showing to the world their deepest humanity.

We all have hosted many Ukrainian visitors to our campuses, and our staff have been frequent visitors to Ukraine. These are our colleagues and our friends.

We stand in steadfast support of Ukraine in its hour of need.

Yours sincerely,

The 9 Rectors of EU GREEN
